

ACCELERATED BACHELOR OF SCIENCE IN NURSING

BSNA

WHY OUR PROGRAM?

Since the start of the program, the average first time RN-NCLEX pass rates have been higher than state and national averages.* TESU molds confident and competent nurses, giving the University's Accelerated Bachelor of Science in Nursing (BSNA) Program an excellent reputation. You will have access to both virtual and hands-on state-of-the-art simulation laboratory and clinical experiences in Magnet-designated facilities.

DEGREE/PROGRAM ACCREDITATIONS:

The baccalaureate degree program in nursing, master's degree program in nursing, and doctor of nursing practice program at Thomas Edison State University are accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.

The baccalaureate degree program in nursing is also accredited by the New Jersey Board of Nursing.

FAST TRACK YOUR FUTURE CAREER

Our new upper division BSNA program is designed for adults who have either completed at least 60 college credits or a bachelor's degree in another area.

This full-time, 15-month program prepares graduates for the National Council Licensure Exam for RNs (NCLEX - RN), as well as employment in nursing upon graduation. The BSNA program is a hybrid program with clinical experiences held in the local New Jersey area. Courses are 8-weeks in length.

Due to the rigorous and accelerated nature of the BSNA program, outside employment is not recommended.

PROGRAM ADVANTAGES

- ▶ Hybrid program with online and on-campus courses
- ▶ Choose one of three cohort start dates per year - Winter, Spring, Fall
- ▶ Complete program in only four 16-week terms
- ▶ Fast-paced, 8-week courses
- ▶ Nine (9) graduate credits in the BSNA program may be applied toward your Master of Science in Nursing (MSN)
- ▶ Earn your BSN and become eligible to take the RN license exam in 15 months
